

Using the new Account products when sending Business Mail and Advertising Mail items

- If you're an account customer sending Business Mail and Advanced Mail items that we sort on your behalf, moving to our new account products and printing a barcode on your envelopes will save you money.
- Once you're ready to start printing your new barcode on your envelopes, select the new UN product codes when completing your sales order.
- You can continue to send letters and large letters.
- New product codes are live now.
- The prices you pay will remain the same.
